

EMPROVE INVOICE CONSOLIDATION 2.0

OVERVIEW

The eMprove Invoice Consolidation 2.0 extension allows NetSuite users to quickly find invoices and bring them together with just a few clicks! This extension is free for all NetSuite users to install and is available at eMergeTech.com/Apps

KEY BENEFITS

- Reduce paperwork for you and your customers
- Save time tracking payments
- Increase transparency

CONSOLIDATE NETSUITE INVOICES FASTER THAN EVER!

Quickly Find and Sort Invoices

Quickly sort and find invoices by customer, dates, and custom tracking codes.

Generate Multiple Invoices

Create consolidated invoices for multiple customers at the same time and save even more time!

Record Payments

Record payments towards the consolidated invoices just like you would normal NetSuite invoices.

Email Alerts

Get notifications and consolidated invoices sent directly to your email with new email alert functionality!
